

**DELEGATED**

Boeing Commercial Airplanes  
Fabrication Division Tooling Offload Quality Assurance

**CONGRATULATES**

**ARMOUR MANUFACTURING &  
CONSTRUCTION**

Your Quality System has successfully met the requirements of D6-56202 (Fabrication Division Tool Offload Quality Assurance Supplier Operating Instructions). Based on your adherence to your Quality Management System and your subsequent ability to consistently provide quality tooling, you are now recognized as a Delegated Boeing Fabrication Division Tooling Supplier. This 'Delegation' is expressed through the use of a Boeing Quality Assurance Acceptance Stamp issued exclusively to Otto Ottow.
